Welcome to our family! Join in the fun of 'cowboying it' at our world famous ranch. The atmosphere of the Old West has been retained so you will experience real ranch living but with luxuries and amenities to make your stay so very pleasant. We become personally involved with your happiness. After all, we've been here for over 50 years making Mayan guests, happy guests.

You will be at ease immediately, experiencing a magic happiness in just relaxing or taking part in everything! Your choices are endless- take a picturesque trailride, swim in our huge pool, play tennis, enjoy the Medina River that horseshoes around the ranch or take an arrowhead hunting expedition up into the hills left intact by Mother Nature. There's something for everyone from the littlest buckaroo to us old cowpokes. There's a wonderful sense of freedom wherever you go.

We are located just 48 miles Northwest of San Antonio in the beautiful Hill Country of Texas. The Mayan Ranch is within an easy "Day Trip" of some of South Central Texas' most unique geographic and historic destinations.

The Mayan is truly a vacation you will relive again and again. Our magic gained us international acclaim. You will join hands with folks from all over the world. Our Hicks Gang has something very special going- round up YOUR gang and join us! We'll lift the latch to a wonderful western world of 'Horsepitality' just for you!!
